

Plant Hire

July 2023 - June 2024

BROOKFIELD
GARDENS

Our range is seasonal and ever changing, and therefore the availability, size and appearance may vary during the year. We have a large offering of hanging baskets, pots and plants that can be chosen for your particular event.

We are happy to work with your stylists, or yourselves to create that green wonderland. We are able to offer a customised plant hire service or if you require some guidance for your selection, we have created some packages. Please see below for offers, installation fees and terms and conditions.

HANGING BASKETS

At Brookfield Gardens we create bespoke large hanging baskets of mixed seasonal foliage on site. Our baskets are made of galvanised metal with a coconut fibre liner, we then fill these with plants such as Ivy, Ribbon Plant, Philodendrons and Ferns.

To fill the marquee at Wild Canary, it is recommended to use 15 baskets, however, the marquee can take up to 20 baskets in a mixture of sizes.

Baskets can only be hired for use at Wild Canary, unfortunately due to their fragile nature we cannot take these off site.

Custom made baskets can be made on request, we require a minimum of 16 weeks notice, price on application.

Large Basket
75cm diameter
Multi planted
\$125 each

Medium Basket
60cm diameter
Multi planted
\$95 each

Small Basket
40cm diameter
Single plant
\$30 each

Our Hire and Installation Service

Minimum hire order of \$500.

An installation charge fee is applied when the order is confirmed. The
installation charge is \$500.

We only offer an installation service and not a DIY hire service.
This is due to the fragile plants and also the weight of our pots. This
policy is in place to ensure our plants look their best for your event.

We can offer off-site plant hire and installation service, this would be
priced on application. Unfortunately, due to the fragile nature of our
hanging baskets we cannot take these off site.

Plants are subject to availability, prices are subject to change, damaged
plants must be paid for.

BOMBONIERE

Just a small living gift, a gesture to say thank you that will remind your guests of your fabulous day. We have a collection of ideas for you, or if you have your own idea we would be happy to make it happen.

Choose from:

Terracotta pots and succulents

Mini living moss jars

Mini herb or lettuce pots

Flowering seasonal plants in terracotta pots such as Voila or Lobelia.
